ACADEMIC & PROFESSIONAL PROFILE

Academic researcher and software engineer with First Class Honours in Plant Science and Biotechnology and interdisciplinary expertise spanning biotechnology, computational methods, software engineering, and leadership. Experienced in scientific research, peer-reviewed publications, conference presentations, and technical instruction. Strong background in data-driven problem solving, digital product development, and academic service.

EDUCATION

University of Nigeria, Nsukka

Bachelor of Science (B.Sc.), Plant Science and Biotechnology / Zoology and Environmental Biology

November 2017 - November 2022

First Class Honours (CGPA: 4.80/5.00)

RESEARCH INTERESTS

- Biotechnology and Applied Biosciences
- Antimicrobial Resistance (AMR)
- Synthetic Biology and Biotherapeutics
- Computational and Machine Learning Applications in Biology
- Food Security and Postharvest Biotechnology
- Digital Health and Health Technology Systems

TECHNICAL SKILLS

- Programming Languages: Python, JavaScript
- Web Technologies: HTML5, CSS3, React.js
- Software Engineering: Frontend Development, Backend Fundamentals, Fast APIs
- Data Analysis and Research Methods
- Cybersecurity Fundamentals
- Scientific Writing and Academic Publishing
- Graphic Design and Digital Media
- Teaching, Curriculum Development, and Technical Training

SOFTWARE PROJECTS & PRODUCTS

- Anettcom Technologies - Corporate Website
Lead contributor to the design and development of the company's official website.
URL: <https://anettcom.com>

- **DamTasker - Task Prioritization Web Application**
Designed and built a web-based task prioritization tool focused on productivity and workflow optimization.
URL: <https://damtasker.onrender.com>
- **ED3Hub (EdTech Startup)**
Lead Frontend Developer (Remote). Responsible for frontend architecture, UI implementation, and user experience optimization for an education technology platform.
URL: <https://www.ed3hub.com/>
- **Educeptis Africa (EdTech Startup)**
Chief Experience Officer (CXO). Leads product experience strategy, user-centered design, and innovation initiatives.
- **Deeper Life Campus Fellowship, UNN - Website**
Contributed to the development of the fellowship's official website during undergraduate studies.
URL: <https://dlcfunn.com.ng>

PROFESSIONAL EXPERIENCE

ED3Hub (EdTech Startup) - Remote

Lead Frontend Developer

December 2025 - Present

- Led frontend development using React.js, implementing responsive, user-centered interfaces for an education technology platform.
- Collaborated with backend developers and product stakeholders to translate requirements into scalable frontend features.
- Improved user experience and performance through component optimization and consistent UI patterns.

Educeptis Africa (EdTech Startup)

Chief Experience Officer (CXO)

January 2025 - Present

- Defined and executed product experience and user engagement strategies across digital learning platforms.
- Led cross-functional collaboration between design, content, and technology teams to align product vision with user needs.
- Oversaw innovation initiatives focused on usability, accessibility, and continuous improvement of learner experience.

Anettcom Technologies / Anettcom Tech Academy - Osogbo, Nigeria

Web development and Cybersecurity Instructor & Intern

June 2025 - January 2026

- Delivered structured instruction in web development, Python programming, and Scratch for secondary and post-secondary learners.
- Designed curriculum-aligned projects to reinforce applied software engineering and cybersecurity concepts.
- Contributed to the development and maintenance of the institutional website.

Damyoun WritingSmith - Osogbo, Nigeria

Founder & Research Copywriter | November 2023 - Present

- Produced clear, well-structured written content tailored to client requirements and deadlines.

- Conducted detailed research and information synthesis to support accurate and high-quality deliverables.
- Managed multiple client projects simultaneously while maintaining consistency, quality, and timely delivery.

Damyoun Graphics - Osogbo, Nigeria

Founder & Graphic Designer | April 2017 - Present

- Designed digital materials such as flyers, banners, and promotional content for organizations and small businesses.
- Collaborated with clients to translate ideas into visually effective communication materials.
- Delivered design projects on schedule while maintaining brand guidelines and quality standards.

INTERNSHIP EXPERIENCE

Anettcom Technologies - Osogbo, Nigeria

Web Development Intern

August 2024 - June 2025

- Assisted in the development and maintenance of responsive web applications using HTML, CSS, JavaScript, and React.
- Collaborated with senior developers to implement frontend features and debug application issues.
- Gained practical experience in software development workflows, version control, and deployment practices.

South East Zonal Biotechnology Centre (SEZBC) - Enugu, Nigeria

Student Instructor & SIWES Student Representative (Internship)

April 2021 - September 2021

- Facilitated hands-on biotechnology workshops (mushroom technology) for academics, researchers, and professionals.
- Coordinated research activities and project deliverables for SIWES students, ensuring timely completion of assigned tasks.
- Supported laboratory and training sessions, reinforcing bioscience techniques and safety protocols.

VOLUNTEERING EXPERIENCE

NextGen Leadership Network

Head of Design and Innovation

September 2024 - Present

- Designed flyers, campaign materials, and promotional content to support leadership programs and community outreach.
- Led visual branding and innovation initiatives to strengthen the organization's social media presence and public engagement.
- Collaborated with leadership teams to develop creative strategies for events, trainings, and digital campaigns.

Dominion University - Ibadan, Nigeria

Administrative Officer, JUPEB Unit

September 2023 - June 2024

- Volunteered administrative support for the JUPEB unit, assisting with student registration, academic records, and documentation.
- Supported timetable planning and coordination for JUPEB subjects to ensure smooth academic operations.
- Assisted staff with official correspondence, memos, and coordination of academic activities.

PUBLICATIONS

Olawale-Success, O., Oluwagbemisola, J., Mercy, M., & Ayodeji, S. A. (2023). Prevalence of malaria parasite among students of Dominion University, Ibadan. In *Empowering Change: Addressing Non-Communicable Disease* (p. 19). IFEMED Journal Club.

CONFERENCE PRESENTATIONS

Egonu, S. N., **Ayodeji, S. A.**, Nwankwo, G. U., Ogbueli, O. J., Iwuchika, A. O., Asogwa, C. V., Arinze, C. P., Agwu, M. U., & Ugwu, C. C. (2026, July 9-11). Nanoprimering *Prosopis africana* seeds using *Combretum dolichopetalum* synthesized silver nanoparticle for enhanced seedling germination [Conference presentation]. The 5th International Conference of the Organic Synthetic and Medicinal Chemistry Research Group (OSMC), University of Nigeria, Nsukka, Nigeria.

Ogbueli, O. J., Ezenwa, I. M., Madu, U., Iwuychika, A. O., **Ayodeji, S. A.**, Nwankwo, U. G., Asogwa, C. V., & Arinze, C. P. (2026, May 11-16). Concentration levels and health risk assessment of carcinogenic and non-carcinogenic heavy metals in poultry chicken marketed in Nsukka metropolis, Nigeria [Conference Presentation]. 1st National Conference of the Association of Science Laboratory Technologists of Nigeria (ASLTON), University of Nigeria, Nsukka, Nigeria.

Nwankwo, G. U., Nweze, E. J., **Ayodeji, S. A.**, Arinze, C. P., Iwuchika, A. O., Asogwa, C. V. and Ogbueli, J. O. (2026, March). Bioaccumulation of Heavy metals in selected edibles vegetables cultivated around Tse-Kucha Cement production site in Gboko LGA, Benue state Nigeria. Paper presented at the 4th International Conference on Veterinary & Biomedical Science (Virtual). Faculty of Veterinary Medicine, University of Nigeria Nsukka

Ayodeji, S. A., Asogwa, C. V., Nwankwo, G. U., & Okparanozie, A. (2025, March). Global challenges and innovative solutions to antimicrobial resistance. Paper presented at the 5th Annual National Conference of the National Biotechnology Research and Development Agency, University of Nigeria, Nsukka, Nigeria.

Ayodeji, S. A., Iwuchika, A. O., Asogwa, C. V., & Nwankwo, G. U. (2025, May). Biotechnology and genetic engineering. Paper presented at the 2nd Hybrid International Conference on Pharmaceutical Science and Industry, University of Nigeria, Nsukka, Nigeria.

Ayodeji, S. A., Iwuchika, A. O., Asogwa, C. V., & Nwankwo, G. U. (2025, June). Engineering synthetic biological pathways and organisms for sustainable production of biotherapeutics, vaccines and diagnostic agents. Paper presented at the 5th Electronic Conference on Bioscience and Biotechnology, University of Nigeria, Nsukka, Nigeria.

Ayodeji, S. A., Arinze, C. P., Iwuchika, A. O., & Nwankwo, G. U. (2025, October). Applying machine learning to predict spoilage patterns and optimise storage conditions for perishable foods. Paper presented at the 4th International Conference on Biotechnology for Food Security and Human Health, UNESCO International Centre for Biotechnology, Nsukka, Nigeria.

Ayodeji, S. A., Nwankwo, G. U., & Onuigbo, A. C. (2022). Role of nanotechnology in agriculture: A review. In *Biotechnology: A Panacea to Sustenance in a Pandemic Era* (p. 144). South East Zonal Biotechnology Centre, Enugu, Nigeria.

HONORS, AWARDS & RECOGNITION

- 1st Runner-Up, SDG4KIDS Animation Contest | 2025
- 2024 Nominee for Ten Outstanding Young Persons (TOYP) of Nigeria | 2024
- Best Graduating Student, Faculty of Biological Sciences, University of Nigeria, Nsukka | 2023
- Best Graduating Student, Department of Plant Science and Biotechnology, University of Nigeria, Nsukka | 2023
- Dr. P. C. Agbaroji Prize for Academic Excellence | 2023
- Royal African Young Leadership Forum (RAYLF) Academic Award of Excellence | 2022

LEADERSHIP & SERVICE

NextGen Leadership Network

Leadership Trainer | December 2024 - Present

- Delivered leadership training sessions focused on personal development, civic responsibility, and ethical leadership.
- Mentored young leaders through structured workshops, discussions, and practical leadership activities.
- Contributed to program planning and execution, supporting the development of emerging leaders across diverse backgrounds.

Independent National Electoral Commission (INEC)

Presiding Officer (Ad-hoc Staff) | February 2023 - March 2023

- Supervised voting procedures and ensured compliance with electoral guidelines at assigned polling units.
- Coordinated election officials and managed voter accreditation, ballot distribution, and result documentation.
- Contributed to the conduct of a transparent, orderly, and credible electoral process under time-sensitive conditions.

Deeper Life Campus Fellowship (DLCF), UNN

Maintenance Coordinator | August 2021 - November 2022

- Coordinated maintenance activities for fellowship facilities, ensuring a safe and functional environment for members.
- Managed logistics, scheduling, and resource allocation for routine upkeep and special events.
- Supported operational planning and teamwork among volunteers to maintain consistent facility standards.

CERTIFICATIONS & PROFESSIONAL DEVELOPMENT

- Data Science and Machine Learning | AI Now Bootcamp | 2026
- Bioinformatics | Genomac | 2026
- AI and Data Literacy | IBM | 2026
- Certificate of completion of e-learning course on Antimicrobial Stewardship Accredited By Agency for Public Health Education Association (APHEA) | 2026
- Certificate of Completion, Basic Molecular Biology | Division of Laboratory Systems, Centers for Disease Control and Prevention | 2025

- Certificate of Achievement as the first runner-up in SDG4Kids Animation Contest | 2025
- Certificate of Achievement on emerging winner of SDG 2, 3, 17 categories of SDG4Kids International Animation Contest | 2025
- Certificate of participation in SDG4Kids International Animation Contest | 2025
- Backend Engineering – Anettcom Tech Academy | 2025
- Cybersecurity | Digital Skill Up Africa | 2025
- Cybersecurity | Tech Crush | 2025
- AI Starter Kit | ALX Africa | 2025
- Leadership Training | Next Generation Leadership Network | 2025
- Software Engineering | ALX Africa | 2024
- Basic Techniques in Bioscience – South East Zonal Biotechnology Centre (SEZBC) | 2021
